Friday, 16<sup>th</sup> April

Yesterday was my birthday but it was a bad day for me.

First, I was late for school. Then Miss Tang was angry with me because I didn't have my Chinese workbook. At recess, Wendy gave me a birthday present. It was a wallet with a cute teddy bear on it. On my way home, I took it out to have another look at it. But I dropped it into some ice-cream on the ground! It had ice cream all over it. I was sad.

When I got home, there was no birthday party for me. Mum was sick so she could not cook. Dad cooked dinner for us but the food was bad. I didn't eat much so I was still hungry. After dinner, I washed the dishes and my brother swept the floor.

Luckily, Mum was feeling better today. We went shopping and she asked me to choose my birthday present. I was happy.
