Dear Alice,

Your grandma is not feeling well today. I am going to her home to look after her for two days. Please take good care of Bubbles the Fish.

Make sure the water in the fishbowl is clean!

First, buy some fish food and some grass from the pet shop near your school. They are about sixty dollars.

Second, you can also buy some colourful stones from the pet shop. They can make the fishbowl pretty.

Third, just give it a little food each time. You need to feed Bubbles in the morning and before you go to bed at night.

A pet is not a toy. Be careful and don't forget what you need to do.

Love,
Mum
