(H) Comprehension (I) 12/100
Leo is reading a story. Read the story and answer the questions.

Minnie's Birthday Party

Today is Minnie's birthday. She is ²ten years old so her parents ³celebrate her birthday at home today.

Her parents invite Minnie's friends to come to her birthday party. Susan and Daisy are her best friends. They bring some birthday presents to Minnie. ⁶Susan gives Minnie a lovely bear. And Minnie also gets a box of chocolate from Daisy. She feels very happy.

Minnie's mother prepares a lot of ⁴delicious food including a mango birthday cake. They enjoy the food very much. Then they play Monopoly ²game together. Although Daisy is not good at playing this game, she thinks it is exciting and fun.

Afterwards, they go to Cinema JP to watch a film called The LEGO Movie 2. Minnie likes this film because she thinks the main character Emmet is funny. However, ⁵Susan thinks the film is boring and falls asleep.

At night, they have dinner at Pizza Express. They have a good time together today.

(i) For questions (1) and (2), **blacken • the circle** next to the correct answer. 4/100 (@2)

They watch a film in the cinema.

(5) Why does Susan fall asleep in the cinema?

It is because Susan thinks the film is boring.

(6) How many birthday presents does Minnie have?

She has two birthday presents.

Leo is reading a story. Read the story and answer the questions.

The Selfish Old Man

Richard is very rich but he is greedy and selfish. He lives in a big house near a small village. Everyone in the village does not like him because he does not like to help the children and he always laughs at them.

One day, he finds a treasure map near his house. On the map, it shows that there is a magic flower in the forest. This magic flower can turn everything into gold. Richard wants to get this magic flower so he looks for it in the forest.

In the forest, it is very dark. As he is too excited, he falls on the ground and hurts his legs. He cries for help. Luckily some children are playing in the forest. They come to help him. They carry him back to his house for treatment. Richard feels sorry for his bad behavior so he apologizes to the children. He even shares the treasure map with the children. They are going to look for the magic flower together.

(i) For questions (1) and (2), **blacken ● the circle** next to the correct answer. 4/100 (@2)

(e.g.) Who is Richard?
