May is my best friend. We first met 1. \_\_\_\_\_ at school  
in P. 1. In the recess, I fell down and hurt myself in the playground. We were  
greeting 2. \_\_\_\_\_ when I suddenly tripped over by a small  
stone. I hurt my knees and did not know what to do. Luckily, May was calm and  
found a teacher. We were later in the sickroom. May comforted me and we

**Badly behaved park visitors**

- A. Many people like going to the parks on holidays. However, some visitors misbehave themselves and make problems for other visitors.
- B. People usually bring along their food and drinks to the parks. It is ok if they can protect the environment, however they create so much rubbish. They leave the rubbish on the grassland after enjoying a nice lunch. You can find plastic bottles everywhere too.
- C. People lead their dogs unleashed. Some dog owners do not put a leash on their dogs. They allow their dogs to run freely in the parks. Children will be scared or hurt by the dogs. Moreover, some dogs are barking noisily which is very annoying.
- D. Visitors should not put up their tents, I think they want to have their own space for a rest but they affect other park users. They should put up their tents on campsites. The tents block other people's view and occupy the space.
- E. Some people throw Frisbee to one another in the park. It is dangerous because they can hurt other visitors. They should play with it on the playground.
- F. Let's be responsible and caring park visitors. In the next issue, we will talk about the badly behaved beach users.

***What a happy day!***

What a happy day!

Last Sunday I went to Kowloon Park with Tony and May.

We behaved in a very good way.

Because we don't like bad manners on a special day.

What a happy day!

5

Some people throw rubbish carelessly on the way.

Seeing their behaviour we can't go away.

We picked rubbish with other visitors all the way.

What a happy day!

In the café, an old man couldn't pay the bill.

10

Because he had no money to pay.

We paid for him because it was an aid.

What a happy day!

We helped a boy who got lost in the park.

He was scared by the dogs' bark.

15

We were acting like a star in the dark.

What a happy day!

It was time to go.

In front of the camera, we waited for a little while.

From the photos, you could see our lovely smiles.
